EVENT STRUCTURE

The Four-Sport Challenge is a friendly, social competition designed to bring together members of the BHRSL sporting sections and encourage participation from the broader BHRSL membership.

Twelve teams of four players will compete across four sports:

- Lawn Bowls
- Snooker
- Darts
- Chuck-Wood (Finska)

Each team will participate in all four sports, with each round lasting approximately 45 minutes.

Teams will be divided into two groups of six and will rotate through the four sporting activities.

At the conclusion of the four rounds, the two highest-scoring teams will compete in a sudden-death playoff to determine the overall winner.

COMPETITION FORMAT

GROUP ALLOCATION	
Group A	**Group B**
Teams 1–6	Teams 7–12
24 players	24 players

Each team will participate in one round of each sport, rotating between the four activities over the course of the competition.

Teams will compete against another team in each round, with points awarded according to their performance.

At the conclusion of the four rounds, points will be totalled to identify the two highest-scoring teams.

These teams will compete in a sudden-death playoff to determine the overall Four-Sport Challenge winner.

The detailed match arrangements, including scoring, opponent allocation and the format of the final playoff, will be confirmed with the sporting section representatives.
